Letter to Exhibitors: The Charlevoix Waterfront Art Fair Committee formed the Charlevoix Council for the Arts, a non-profit organization.

The Council was formed to establish a broad base in keeping with the philosophy of encouraging awareness, understanding and enjoyment of the visual and performing arts, which shall include dance, music and theatre. The money generated by the Charlevoix Waterfront Art Fair will be used to underwrite the arts for the benefit of all the young people in the community of Charlevoix.

Art is part of our public history, our evolving culture, and collective memories. As artists respond to our times, they portray their inner vision to the outside world, and they create a chronicle of our public experience.
